★★ MESSAGE FROM DIRECTOR ★★

As we entering the 2nd quarter of 2017, where the climate still uncertain, heavy rain and thunderbolt appear suddenly, yet Management of Emerald Golf Club especially our Maintenance Department tried their best effort to maintain the Golf Course and the Green, renovations still carried out periodically . It is always our a great honor for us to serve you at Emerald Golf Club and we shall endeavour to seek the best solutions to make your golfing experience with us to become a memorable one.

Lots of milestone that has been achieved by Emerald, but we realize that the journey has been hard and still hard, to those obstacles we would like to express our heartfelt

gratitude to all our members and guests to their unwavering support and understanding.

In this occasion we also would like to say thank you to all event organizers, Associations of Golf tournaments and other groups who have been always participated to make our Golf Club crowded, hoping them always continuous participating with our beloved Emerald Golf Club.

Warm Regards,

Arif Wiryawan
President Director

★★ MESSAGE FROM GENERAL MANAGER ★★

Dear Members,

Welcome to the 1st edition of Emerald News Letter 2017, there are many interesting report for your reading pleasure.

With the spirit of New Year 2017, on behalf of the Board of Directors and all Staff Members I would firstly like to extend my gratitude and continue appreciations to all Members for continually supporting the Club.

Looking back in the year of 2016 at Emerald Golf Club has been exciting, there were a lot of prestigious events been held at the Club successfully and at the same time with the support from our Members the improvement of the Club's facilities been made accordingly.

For this time we concentrate in maintaining quality of the golf course due to high rainfall in the beginning of this year, and we have upgraded some Club's facilities including renovation of our kitchen, renovated of the cart-path at Lake Course hole 16 and to make new landscape between hole number two to the hole number three Plantation Course in order to beauty those specific area and to open a beautiful view for your enjoyment.

In spite the improvement of Club's facilities, golf operation and the other departments will extend training program on their specific jobs, in order to continue improving quality of our services to Members & Guests.

We would like to take this opportunity to wish Congratulation to our Members who has selected to be the finalists to compete on the Club's Championship 2017, and do not forget to arrange the time to play with your pairing according to the competition schedule.

Finally, we welcome a Holy Ramadhan Month in end of May to June, and please plan your golfing time and enjoy the Ramadhan Hit & Break Package during the month of Ramadhan.

Once again, thank you for your valuable support and have a successful year for everyone.

Yours truly,

Edy Purwanto
General Manager Golf

★ SUPERINTENDENT NEWS ★

The Maintenance schedule this year will be more in the golf course, especially on the green, we will do renovating around the green to ensure size of the green will come back to the original size, depending the quality of the green, we will do coring and verticutting, aiming to provide more air supply in the root zone area to help the absorption of nutrient by the roots become more efficient. The impact of the activities above will reduce a bit the players comport.

In addition to the above activities to maintain the purity of the grass in fairways and rough on the golf course, we exercise control with selective herbicide treatment. If you see a little brown or stress at the spot area on the grass, that is the impact of the herbicide treatment, it will take time about 3 weeks maximum, after that condition will be back to normal.

Striving to make improvement on the golf course will always be our target and your understanding for the above disturbance will be highly appreciated, the purpose of such activities just to make your comport playing at Emeraldal. Please feel free to contact me with any questions and comments at phone No. 021 875 9023, thank you for your patient during our staff do the activities improvement.

★ ★ HRD ACTIVITIES ★ ★

In line with Emeraldal's vision and mission, to be a bona fide and trusty upper class manager through professional management and also being a reliable and highly competitive residential developer as well as to strenghten the capability of man power, the Emeraldal's HR team organized training for Emeraldal employees. The training was held twice with different topics and targets. The first topic was "How To Become A Great Supervisor" done on April 25, 2017.

This training was aimed to employees with a minimum level of Supervisor upwards. The second topic was "Mindset

Revolution" on April 26, 2017. This training was aimed to staff level employees. The training was delivered very interesting and having value added to employees by trainer Didin Yuniardi.

The participants were invited and to explore themselves to learn but also mixed with some games that were delivered, although the duration was long enough participants look very enthusiastic and not feel bored. Bravo Emeraldal!!
